

Remarks

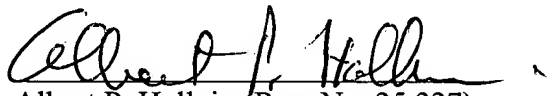

None of the foregoing amendments adds new matter. The amendments correct a formal matter of an inadvertent omission of a sequence from the sequence listing without changing the scope of the claims. Support for the amendment is found, *inter alia*, at specification page 88, line 4 to page 89, line 2. Accordingly, Applicants respectfully request that this Amendment be entered.

In accordance with 37 C.F.R. § 1.821(f), the paper copy of the sequence listing and the computer readable copy of the sequence listing submitted herewith in the above-referenced application are the same.

In accordance with 37 C.F.R. § 1.821(g), this sequence listing submission includes no new matter.

Reconsideration of this application and entry of the above Amendment(s) are respectfully requested.

Respectfully submitted,

Albert P. Halluin (Reg. No. 25,227)
Lorelei P. Westin (Reg. No. 52,353)

Date: February 23, 2004
